

GDPR Statement

We collect

- ip addresses
- Any information entered into the contact form

Why do we collect this data?

- For tracking the number of unique users that visit our website
 - For responding to any inquiries

How long do you keep the data?

We aim to delete all data within 12 months unless it is necessary that we keep it for longer.

How can I request all my data be deleted?

You can request the deletion of any data related to you by sending us an email via the contact form saying that you would like us to delete your data.
