

**MESSAGE BOARD** – continued

**SHARES News** - A family being resettled from Syria will be arriving on the 4<sup>th</sup> of September to a flat in Milborne Port. There are 2 children – both boys in the family. We have had a busy summer as donations continue to be needed in the camps in Europe. If we can we try to sort the donations before we take them to RAFT in Taunton because it saves them time. If anyone would like to help with sorting please let us know. We have also been working to make the settling-in process easier for the families that have already arrived. One family has very little English and are struggling a bit. It has shown us how important the teaching of English is. So if anyone has ESOL training and would like to help out do contact us. We are also in need of befrienders who would find it fun to take the women and or children out as friends, for a coffee and just general chit chat. As I have said before this may be a game of charades but it brings much laughter and better understanding. The church has continued to be very generous and understanding by opening its doors to the people that want to help by giving donations. We are all very grateful to the church and those that give so regularly. If anyone is interested in befriending or teaching English or sorting please contact Geoff or myself or Cath Adam. ### MESSAGE BOARD

Janet came home last Tuesday after her operation on a broken hip, and is recovering well, though it will take some time for normal service to be resumed. She is most grateful for all the care and concern shown by her church family. She would love to see people,

but perhaps you would be kind enough to give us a ring first if you are thinking of coming (on 389662), so that we can space visits out a bit. Thank you. Christina
