The persecuted church: We thought it would be helpful to include, on occasions, a prayer for the persecuted church. These prayers will be taken from the "Open Doors" prayer diary. "Open Doors" is a UK registered charity which for over 60 years has been serving persecuted Christians. Today, let us pray for Algeria: 2018 saw an alarming increase in pressure on the church. Several churches were closed by the government. Pray that Algerian Christians will be bold and strong in this hostile environment and that new believers will find local churches where they can become rooted in Christ. Amen.
