**Prayers for the persecuted church:** Afghanistan – Christian parents often hide their faith from their children for fear of discovery – we pray that they will find ways to share the gospel with them. The internet is monitored, and even looking for information on Christianity can lead to attack – we pray for protection for those searching for the truth about Jesus; and for wisdom for those working to support secret Afghan believers. Amen.

Pew Sheet. I wondered if there was anyone who would like to take on the pew sheet or even help me with producing the pew sheet. Perhaps you have ideas about how it could be bettered? At the very least I would be thankful for someone who could take on the pew sheet when we go away. Please feel free to ask me about it. . . no obligation! Penny (01935 389153)

*I praise you because of the wonderful way you created me.  
Everything you do is marvellous! Of this I have no doubt.

### Prayer

*Oh God who put on flesh, we live in a culture that wires us to regard bodies as cumbersome, disposable, and even sinful. Grant us the knowledge that these beliefs are not of You, and help us to listen to our bodies well. Amen.*
