### From the Secretary:

Revd Clare Downing, the URC Wessex Synod Moderator, will be coming to lead worship on 28<sup>th</sup> July. In connection with this, she would like to meet with some of our congregation for a planning meeting on Tuesday July 16<sup>th</sup> at 2.30 pm. It would be good if some Local Preachers, Worship Leaders and Junior Church leaders could attend, but anyone who is interested would be very welcome. Please let me know if you can come. 01935-815216 or [chrisrogers@uwclub.net](mailto:chrisrogers@uwclub.net)

Duncan is interested in exploring the possibility of a more informal, café-style worship session once a month, perhaps starting with lunch. This would be in addition to our usual morning service. All those who are interested are asked to meet with him in the Church after morning worship on Sunday 7<sup>th</sup> July.

At the next Church Meeting we need to decide on the charities to be supported by the Christmas Tree Festival. Please put your suggestion into the box in the welcome area TODAY. The Community and Wider World Team will be meeting next Sunday to discuss which choices to put forward.

---

Please let Christine have any items for the agenda of the next Church Meeting, which will be on Thursday 11<sup>th</sup> July at 7.00 pm in the hall.

**Prayers for the persecuted church – Lebanon:** In many towns and villages refugees outnumber the local population two to one, which can create tensions. Let us pray that the church will play a key role in helping people to live together in peace, and in rebuilding hope for the future. Amen

### *Refugee Week -Share a story*

*The experiences of refugees can feel very far away. But they are all around us, if we know where to look. It is a sad fact that war and persecution are nothing new. People have had to leave their homes in search of safety for generations, bringing new perspectives, experiences and talents to the societies they join.*

*Britain is no exception. The stories of refugees are right here: in the music we listen to, the food we eat, the books our children read. And when we listen to these stories, it becomes harder to ignore the connections between us – the fact that the contributions and experiences of refugees are part of who we all are. This Simple Act invites you 'meet' one person who has sought safety in the UK through the generations. To listen to their story and imagine life through their eyes.*
